

Brunswick County ARES Winlink Net

Session #002

Net Session Start: Monday November 17th at 12:01 AM

Net Session End: Saturday November 29th at 11:59 PM

Send your completed Winlink message to: K1MJJ@winlink.org or just K1MJJ

Notice:

It is the Thanksgiving holiday; therefore, we will take this session at an easy pace.

Note:

This net is serving Volunteers with a wide range of knowledge about Winlink, what it is and how to use it. We are starting with the basics and soon we will get into very interesting exercises to explore Winlink.

Scenario:

When you are tasked with providing communication to Served Agency you may have to send a notification to the Served Agency EOC therefore, we will be sending a Winlink Check-in message to that EOC.

Second Task:

1. Send K1MJJ a Winlink Check-in message.

Steps to complete your message:

- Your Winlink message will use the template "Winlink Check-in".
 - Launch Winlink
 - Click Message and then select New Message
 - Within New Message click Select Template
 - Expand the Standard Forms column
 - Expand the General Forms column
 - Select Winlink Check-in.txt

Working within the Winlink Check-in form:

- Winlink Check-in form Header
 - Press the Setup button
 - In the pop-up window type: “*Brunswick County ARES Winlink Net*”
 - Click the OK button
- Winlink Check-in form section STATION
 - Operation Incident/Exercise ID = Session 002
 - Click Date/Time box to acquire the current date and time
 - To: K1MJJ
 - From: Your call sign,
 - Station Contact Name: Your name,
 - Initial Operator: Your name, your call sign
- Winlink Check-in form section SESSION
 - Type is Exercise
 - Service is Amateur
 - Band is Telnet
 - Session is Telnet
- Winlink Check-in form section LOCATION
 - Location: Your home address
 - Latitude and Longitude of your home address.
 - This should have come up automatically if you had filled out the Winlink Settings form with the correct Grid Square.
- Winlink Check-in form section COMMENTS
 - First Line type: *This is an exercise!!!*
 - Second Line type: Call sign, your name, your city, county and state
 - Third Line type: The current temperature, wind speed and direction and the barometer reading of your home.
- Once you are satisfied with the information, in the Winlink Check-In form
 - Click the Submit button
 - “OK” or close any pop-up message that may come up
 - Close the browser window that the form appeared in.
 - In the Winlink message verify that K1MJJ is in the “To” address box
 - Click “Post to Outbox”
 - Click Open Session Telnet
 - In the Telnet Winlink Session window click Start
 - Your Winlink message will be on its way to K1MJJ!

Congratulations!!!
